Re: Safety Improvement Request

Mr. Cook,

Lumpkin County Commissioners has been asked to install guardrail on SR60 just south of Tahoe Run. Lumpkin County recognizes that we cannot place guardrail on a state highway. That being said, Lumpkin County would like to request that Georgia DOT investigate the location for the possibility of installing of guardrail to improve the safety of the area.

If additional information is needed, please contact Larry Reiter or Charles Trammell with Lumpkin County Public Works at (706) 864-6894.

Sincerely,

Chris Dockery  
Chairman, Lumpkin County  
Board of Commissioners
